Extract from file G.E. 16-22-2:

I think the Chief Secretary may be included in the list of officers given in Appendix R. In respect of the Secretariat establishment, he may exercise the powers delegated to Heads of Departments. This delegation may be submitted to Dewan for approval.

The delegated power under article 150 A is only that mentioned in the note. I have included this change also in the proposed amendment as the reference to article 150 A, as it now stands without any qualification is not correct.

The file may now be sent to Chief Secretariat.
